Manual Tools

WEDO TOOLS

Hardware manual tools

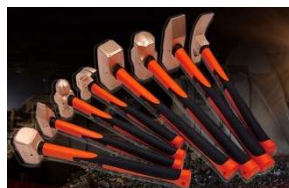

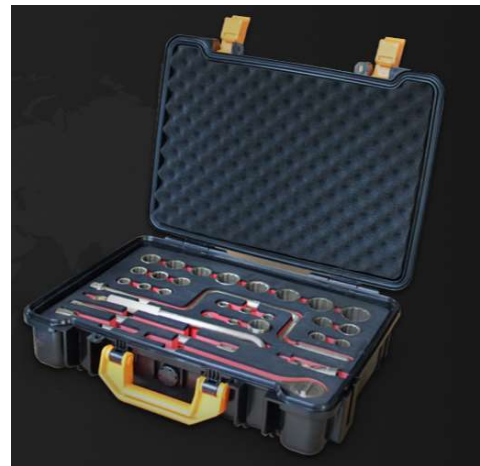

WEDO TOOLS has been a professional tool manufacturer with the most complete range of hand tools worldwide. Their products, including non-sparking tools, titanium tools, insulated tools, stainless steel tools, and steel tools, are forged by a large friction pressing machine to be moulded for one time and enjoy a world-class top quality. All tools are strictly in accordance with the DIN and ASME standards. All products undergo strict quality controls from raw material to final product which ensures a 100% qualified rate before they are delivered out of the factory.

BFGeosupply is an Austrian distributor of manufacturing program of WEDO TOOLS.
